

KEEPING THE HUMAN TOUCH IN HEALTHCARE™

You have been referred by Covenant Living for Virtare Health's Enhanced Clinical Management (ECM) program which includes Remote Patient Monitoring (RPM).

WHAT TO EXPECT

1

PROGRAM INTRODUCTION

Speak with a Virtare Health team member who will explain the ECM and RPM programs and answer any questions you may have.

2

ACCEPT YOUR FREE MEDICAL DEVICE

When you enroll in these programs, you will receive a free medical monitoring device (valued at \$99*) from Virtare Health.

*value of devices subject to change

3

DOWNLOAD THE APP

Scan the QR code to download the Home Healthcare app to your cell phone or tablet. You will be given login information by a Virtare Health team member.

4

FOLLOW-UP APPOINTMENT

A Virtare Health team member will schedule an appointment with you to connect your new monitoring device with the app and start monitoring at home.

Appointment Date:

Time:

5

ENJOY SUPPORT AT HOME

Receive follow up calls from Virtare Health's Clinical and Behavioral Health teams that will support your health journey.
